DEFEAT THE EMPIRE!

The planet **RAGUY** is a beautiful star in which many strange but wonderful creatures live in total harmony. Then came the invasion of the Daruma Empire! They have brought with them the industrialization which has all but consumed their planet and is now polluting **RAGUY** beyond environmental repair. Only one young man name "Blue" has risen up to combat the evil empire to save his planet. Blue will use all of his magic leaves to free his people from what is sure to be environmental destruction. Guide Blue through this challenging fantasy game!
